Programme of the 30th Alfa Romeo Montreal Meeting in Dinant

01/09/2016 – 04/09/2016

Attention Points

General

Your registration to the 30th Montreal meeting is only final when you have paid the registration fees **and** sign the disclaimer document regarding the event.

Arrival at the hotel on September 1st, 2016

When you arrive in Dinant, please go directly to the Hotel “Castel de Pont à Lesse” for the check in and to validate your registration. Direction to the hotel will be indicated after you exit the motorways. When you are installed at the hotel, you take the car and go to Dinant downtown following instructions of the roadbook received during the registration.

In Dinant, you will be directed to a parking specially booked for the event.

Mettet Racetrack

If you want to go on the Mettet Racetrack, you must fill in and sign the “Waiver of appeal” document. This document will be controlled at the track entrance. Without that entrance to the circuit will be forbidden.

Note that a personal insurance can be subscribed at the circuit for 17 €. It is not mandatory but advised.

Helmet is not mandatory but advised.

Trip on the “SAX” boat

This excursion will take place just after the Mettet racetrack. The boat cannot leave as long as all participants have embarked. So I insist that every Montreal owner leaves the circuit on time to avoid that the boarding on the ship lasts too long.

Parking

There will be persons of the organization to place the cars each time we do a stop. Please follow their instructions in order to save time.

Roadbook

There are roadbooks for each transfer. However the organization foresees to place signaler when the place configuration can lead to wrong interpretations.

In addition, the organizer is liable only so far as exclusion of liability is not agreed.
